

Request for findings

Dear patient,

upon your request, we will provide you with your findings and treatment documents:

- Before we can provide the documents (only copies will be available), we need a valid declaration on that matter including your signature.
- You can request for your own documents only, if you want to receive the documents of your partner, we will need a separate request.
- All requests will be processed within 1 – 2 weeks.

Which findings / documents do you request? (please mark)

- significant blood tests (e.g. HIV/hepatitis, hormone values)
- surgery reports, pathologic results if applicable
- treatment summary (protocols insemination, IVF, ICSI) including embryo culture
- semen analysis

Please mark as appropriate.

- Collect at the clinic
- Send by post

plus max. 2 € postage for dispatch.

I request copies of the findings/documents marked above.
